

## ALKA-PLUS FOAMING POWDER

Blended Alkaline Product With High-Foam Wetting Agents and Chlorine

DESCRIPTION	ALKA-PLUS FOAMING POWDER is a specially formulated alkaline product containing high-foam wetting agents for foam, COP boil-outs and other heavy-duty cleaning applications where high foam characteristics are desired. The superior wetting agents and active chlorine enhance cleaning while imparting free-rinsing properties that cut down (or eliminate) the need for acid cleaning as with other strong caustic products.
DIRECTIONS	<p>ALKA-PLUS FOAMING POWDER is recommended for spray, soak, foam and circulation cleaning of all types of dairy and food processing equipment.</p> <p>Procedure: CIP, spray, soak and foam. After cleaning, post-rinse with potable water. Sanitize as required.</p> <p>Concentration: <u>Foam Cleaning</u>: 10 lbs. per 50 gallons of water at 130° to 150°F. To improve protein removal, add ½ gallon LCS. <u>Other Applications</u>: 0.5 to 2 oz. per gallon (depending on soil load) with 80° to 180°F water.</p> <p>Cleaning Time: 10 to 30 minutes at recommended temperatures or longer for difficult soils.</p>
SAFETY INFORMATION	<p>UTILIZE APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT AS PER SDS. HANDLE AND STORE AS INDICATED ON PRODUCT LABEL.</p> <p><u>IF ON SKIN</u>: In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Get immediate medical attention. Wash clothes before reusing.</p> <p><u>IF IN EYES</u>: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get immediate medical attention.</p> <p><u>IF SWALLOWED</u>: Drink large quantities of milk or water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Get immediate medical attention.</p> <p><u>IF INHALED</u>: Immediately move to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. If breathing is difficult, give oxygen. Get immediate medical attention.</p> <p>Consult your Safety Data Sheet for additional safety information.</p>
