

CHELATED ALKALI #1

DESCRIPTION	CHELATED ALKALI #1 is our most widely used heavy-duty granulated caustic cleaner. It is non-foaming and has a long solution life. Recommended for soak, boil-out and circulation cleaning. Maximum economy in dry powder form. It has a high rate of fat and grease emulsification and dissolves proteins. It rinses well and should be rinsed before detergent dry-on occurs.
DIRECTIONS	<p><u>HTST/CIP</u>: 1 lb. for every 10 gallons of water at 180°F.</p> <p><u>Bottle Washing</u>: Soak at 180° to 190°F.</p> <p><u>Snack Fryers</u>: Boil-out using 3 to 4 oz. per gallon of water.</p> <p><u>Chili Kettles</u>: Boil-out using 1/3 to 4 oz. per gallon of water at 180°F.</p> <p><u>Trolley Cleaning</u>: Soak 1 to 8 oz. per gallon of water at 180°F.</p> <p>Consult your representative for specific applications and concentrations in your plant.</p>
FEATURES	<ul style="list-style-type: none">• Authorized by USDA for use in federally inspected meat and poultry plants
BENEFITS	<ul style="list-style-type: none">• Excellent rust removal properties
SAFETY INFORMATION	UTILIZE APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT AS PER SDS. HANDLE AND STORE AS INDICATED ON PRODUCT LABEL.

IF ON SKIN: In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Get medical attention. Wash clothes before reusing.

IF IN EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get immediate medical attention.

IF SWALLOWED: Promptly consume a large quantity of milk, egg whites, gelatin solution or – if these are not available – drink large quantities of water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Get immediate medical attention.

IF INHALED: Immediately move to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. If breathing is difficult, give oxygen. Get immediate medical attention.

Consult your Safety Data Sheet for additional safety information.

FOR INDUSTRIAL USE ONLY.
