

## DELASAN MP

### Antimicrobial Solution - for Meat, Poultry and Seafood

DESCRIPTION	DELASAN MP is a peroxyacetic acid-based microbiocide developed for use in Federally Inspected meat, poultry and seafood processing locations. If used as directed, it will help to reduce contamination and cross-contamination of edible food products.
DIRECTIONS	<p><u>Meat Applications:</u> Mix this product with no more than 1.8 fluid oz. per 6 gallons of water. This provides 400ppm of PAA. Apply use solution to carcass using spray application. Spray at 100-200 psi, and 110°-120° F and allow to remain on object for 1 to 2 minutes.</p> <p><u>Poultry Applications:</u> This additive is used as an antimicrobial agent up to 1000ppm on pre-visceration uses.</p> <p><u>Seafood Applications:</u> The maximum concentration allowed is 190 ppm as active peroxyacetic acid. Residual activity may be reached by diluting this product by 1 fl. oz. per 5.6 gallons of water (v/v).</p> <p>Consult your Material Safety Data Sheet for additional safety information.</p>
BENEFITS	<ul style="list-style-type: none"><li>• When used as directed, it will help reduce contamination and cross-contamination of edible food products.</li><li>• It's use is acceptable for direct or indirect contact in or on food, including meat, seafood and poultry.</li></ul>
SAFETY INFORMATION	<p><u>IF ON SKIN:</u> In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Get medical attention. Wash clothes before reusing.</p> <p><u>IF IN EYES:</u> In case of contact, immediately flush with plenty of water for at least 15 minutes. Get immediate medical attention.</p> <p><u>IF SWALLOWED:</u> Drink large quantities of water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Get immediate medical attention.</p> <p><u>IF INHALED:</u> Immediately move to fresh air. If not breathing give artificial respiration, preferably mouth-to-mouth. If breathing is difficult, give oxygen. Get immediate medical attention.</p> <p>Consult your Safety Data Sheet for additional safety information.</p>
