

FOAMING ALKALINE #1

DESCRIPTION FOAMING ALKALINE #1 is a heavy-duty liquid caustic cleaner. It is a high-foam product for foam cleaning without additives. FOAMING ALKALINE #1 has excellent water conditioning properties and rinses very well. For heavy soil removal in dairy, meat and poultry operations, as well as many other food industries. Hypochlorite may be added when a chlorinated product is needed. Do not use on aluminum or other soft metals.

DIRECTIONS FOAMING ALKALINE #1 may be used for general cleanup of floors, walls, equipment and conveyors.
Foam Charge: 1 to 2 gallons per 20 to 100 gallons of water.
Cookers and Smokehouses: 1 gallon per 50 gallons of water.
Consult your representative for specific applications and concentrations in your operation.
