

## MICROLUBE Conveyor Chain Lubricant

**DESCRIPTION** MICROLUBE is designed for those operations in which chain cleanliness is of utmost importance. This product is a highly concentrated conveyor treatment possessing excellent detergent blends that quickly and effectively remove accumulations of soils ensuring reduction of offensive odors, decreased chain wear and enhanced product shelf life. MICROLUBE may be used successfully under conditions in which hard water conditions are present and will eliminate the cost of water softening systems and reduction of lost time due to nozzle blockages.

**DIRECTIONS** 1:200 to 1:500 dilution rates. It is not necessary to dilute this product with soft water.

**SAFETY INFORMATION** UTILIZE APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT AS PER SDS.  
HANDLE AND STORE AS INDICATED ON PRODUCT LABEL.

IF ON SKIN: In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Get immediate medical attention. Wash clothes before reusing.

IF IN EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get immediate medical attention.

IF SWALLOWED: Drink large quantities of milk or water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Get immediate medical attention.

IF INHALED: Immediately move to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. If breathing is difficult, give oxygen. Get immediate medical attention.

Consult your Safety Data Sheet for additional safety information.
