

Redi-Solve B

DESCRIPTION Redi-Solve B™ is a red, liquid, general butyl solvent cleaner. It is a high-foaming neutral cleaner. It can be used best in applications where hand scrubbing is intended. It may also be used in steam cleaners, high-pressure machines, floor scrubbers, and as foam cleaner. This product may also be used as a foam additive with many other cleaners to produce foam.

DIRECTIONS **Concentration:** As a Foam Cleaner: 2 to 4 oz. per gallon of water.
Floor Scrubbers: 1 gallon per 25 gallons of water.
High-Pressure Applications: 1/3 to 8 oz. per gallon of water.
In Processing Plants: 1/3 to 8 oz. per gallon of water.
Consult your representative for specific applications and concentrations in your operation. Always rinse with potable water after use.

Temperature: From cold to 200°F.

FEATURES

- Authorized by the USDA for use in federally inspected meat and poultry plants.

SAFETY INFORMATION **UTILIZE APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT AS PER SDS.**
HANDLE AND STORE AS INDICATED ON PRODUCT LABEL.

IF ON SKIN: In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. **Get medical attention.** Wash clothes before reusing.

IF IN EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. **Get medical attention.**

IF SWALLOWED: Drink large quantities of water. Do not induce vomiting. Never give anything by mouth to an unconscious person. **Get medical attention.**
Consult your Safety Data Sheet for additional safety information.
