

SLIDE-100

Heavy-Duty Cleaner and Foaming Caustic – Smokehouse Cleaner

DESCRIPTION	SLIDE-100 is a balanced heavy-duty formulation containing alkali hydroxides, water softening agents, solvents and high-foaming wetting agents. This product was developed for applications where quick penetrating power and saponification of fats and oils is desired.
DIRECTIONS	<p><u>Spray/Pressure Cleaning</u>: Spray .5 to 10 oz. per gallon of 110-125°F water. Allow to remain on surfaces being cleaned for 5-10 minutes followed by a rinse of potable water. Sanitize as required.</p> <p><u>Foam Cleaning</u>: Apply .5 to 10 oz. per gallon of cool or tap water. Allow to remain on surfaces being cleaned for 10-15 minutes. Follow with a warm potable water rinse. Sanitize as required.</p> <p>Depending on the extent of soil, adjust the SLIDE-100 concentration to perform satisfactorily. Please consult your DeLaval Cleaning Solutions representative for your specific use instructions.</p>
FEATURES	Authorized by USDA for use in food establishments under Code A1
