

CHLOR-MATE HW LIQUID

CIP Cleaner Specially Formulated For Hard Water Conditions

DESCRIPTION CHLOR-MATE HW LIQUID is a non-foaming, highly alkaline, chlorinated CIP cleaner designed with a higher level of additives for effective cleaning in hard water conditions. CHLOR-MATE HW LIQUID has a superior level of sequestrants and chelators that prevent scale formation in hard water areas and promotes fast draining and free rinsing. The concentrated formula makes CHLOR-MATE HW LIQUID a cost-effective CIP cleaner for all phases of food and dairy cleaning operations.

DIRECTIONS CHLOR-MATE HW LIQUID is designed for spray and circulation cleaning of tanks, lines and all stainless steel equipment.

Procedure: Soak, circulation and spray cleaning. After cleaning, post-rinse with potable water. Sanitize as required.

Concentration: 1/2 to 1 oz. per gallon of water.

Temperature: 120° to 180°F for circulation cleaning.

Cleaning Time: As required. Surface should not become dry during cleaning.

FEATURES

- Concentrated chlor-alkaline cleaner
- Heavily built liquid formulation

BENEFITS

- Phosphate builders provide increased water conditioning
- Excellent for use in hard water applications

SAFETY INFORMATION UTILIZE APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT AS PER SDS.
HANDLE AND STORE AS INDICATED ON PRODUCT LABEL.

IF ON SKIN: In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Get medical attention if irritation persists. Wash clothes before reusing.

IF IN EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get immediate medical attention.

IF SWALLOWED: Drink large quantities of water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Get immediate medical attention.

IF INHALED: Immediately move to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. If breathing is difficult, give oxygen. Get immediate medical attention.

Consult your Safety Data Sheet for additional safety information.
