

ChlorMate™ Liquid

Chlorinated Liquid Alkaline Cleaner for CIP Applications

Product Number 1821

ChlorMate™ Liquid is a concentrated, highly alkaline, super chlorinated liquid cleaner for use in CIP, spray, and COP applications in dairy and food processing facilities. The extra chlorine gives ChlorMate™ Liquid the punch to handle heavy protein soils even when cleaning at lower temperatures. ChlorMate™ Liquid is non-foaming, chlorinated, fast draining, and free rinsing product.

Benefits

- Non-foaming in CIP applications · Threshold technology – combined with high concentration – improves cost efficiency
- Excellent for use in water with low to moderate hardness
- Excellent protein removal
- Eliminates the need of secondary additives for the alkaline cycle

Features

- Highly concentrated chlor-alkaline
- Utilizes threshold technology

Properties

- Appearance Clear, light yellow liquid
- Total alkalinity..... 12.0 – 13.3 %w/w Na₂O
- Available Chlorine..... 3.75 – 4.15 %w/w
- Odor..... Mild chlorine

Directions for Use

Method

Soak, spray, and circulation cleaning of tanks, lines, and all stainless steel equipment in dairy and food processing facilities. After cleaning, post-rinse with potable water. Sanitize as required.

Concentration

0.5 – 1 oz/gallon. 120 – 180° F for circulation cleaning. Cleaning time as required. Surface should not be permitted to dry during cleaning.

Consult your DeLaval Cleaning Solutions representative for questions on specific applications.

Safety Information

IF ON SKIN (OR HAIR)

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

IF IN EYES

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a Poison Control Center or doctor/physician.

IF SWALLOWED

Rinse mouth. Do not induce vomiting.

IF INHALED

Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a Poison Control Center or doctor/physician.

Consult your Safety Data Sheet for additional safety information
