

CitriKlean™

Biodegradable Solvent Cleaner- Degreaser

Product Number 4397

CitriKlean™, natural d-Limonene, is a low- to moderate-foaming degreaser that efficiently cleans and degreases. It is formulated for use in a wide variety of cleaning applications to remove petroleum grease and oil, cooking grease, food soils, soot, ink, tar, soap film, adhesives, dirt, grime, rubber marks, and other organic and inorganic soils. Safe for use on all metal surfaces, stainless steel, polished floors, concrete, porcelain, laminate, glass, ceramic, cured paint, colorfast fabrics and textiles, and most washable surfaces. Do not use on materials containing rubber.

Benefits

- Hard water tolerance
- High alkalinity for tough soils
- Formulated to reduce surface tension

Features

- Unique package of detergent surfactants that reduce need for chlorine addition
- High chelation package
- Reduced levels of foam during transport and cleaning
- Superior rinsing properties
- High-strength caustic

Properties

- Appearance Clear, colorless to light yellow liquid
- Quat content 7.1 – 7.9 %w/w

Directions for Use

Method

Remove all food products from area before using CITRI-KLEAN. Apply diluted cleaning solution to surface by brush, mop, sponge, trigger sprayer, pressure sprayer, foam generator, or use in soak-tank applications.

Concentration

For light soils: dilute 2 to 5 oz. per gallon of water.

For moderate soils: dilute 6 to 10 oz. per gallon of water.

For heavy soils: dilute 15 to 30 oz. per gallon of water.

As a room deodorizer: add one capful to 20 oz. of water.

Allow solution to remain in contact with soils for 1 to 2 minutes, then agitate or scrub surface. Rinse surfaces after use. Consult your DeLaval representative for specific applications and concentrations in your plant.

Consult your DeLaval Cleaning Solutions representative for questions on specific applications.

Safety Information

IF ON SKIN

Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

IF IN EYES

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

IF SWALLOWED

Rinse mouth. Do NOT induce vomiting.

IF INHALED

Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.
