

RQ Floor Powder III

Liquid Solvent Cleaner

Product Number 1141

RQ FLOOR POWDER III is a floor treatment product containing cationic surfactants, intended primarily for use in the meat, poultry, dairy, and food processing industries. This water activated, timed released detergent is specifically formulated to improve environmental sanitation and control soil buildup on floors. RQ FLOOR POWDER III granules crush easily to release odor control ingredients, is Phosphorus Free, and readily rinses into floor drains. Use wherever odor control can be a problem.

RQ FLOOR POWDER III is designed for use on all non-food contact surfaces including processing floor areas including production, storage, and common areas, both after sanitation and during production. Apply this product in such a way to avoid food contact surfaces. RQ FLOOR POWDER III is safe and effective under the intended conditions of use as outlined on the product label or specified in a Sanitation Standard Operation Procedure (SSOP) as part of a HACCP Program.

Benefits

- Odor control
- Easily crushed
- Reduce fall risks

Features

- Quat based floor powder
- Phosphorous free
- Rinsable into floor drains

Properties

- Appearance Light blue granules
- Odor Characteristic
- Particle size Total material (sieve #20 and #40) > 80%

Directions for Use

Method and recommended coverage

RQ FLOOR POWDER III is ideal for broadcast application with an economical 1 lb. per 100 square feet recommended coverage.

Consult your DeLaval Cleaning Solutions representative for questions on specific applications.
